Looking for an opportunity to own the stage at the H&P Expo and present new costume or product lines? Several exhibitors have asked for the chance to produce their own show. In response, the Expo has created a Demo Stage.

Reserve a 60-minute slot for a costume show, product demonstration or announcement. Only TWO slots available, so reserve today!

The Expo Floor Demo Stage is located conveniently in the back of the show and will provide up to 800 seats for viewers. This will also serve as the home for the Saturday Night Costume Style Show!

The Expo Floor Demo Stage schedule will be posted in the onsite directory and on meter boards throughout the convention center.
