*Don't forget to add a Personal Message to your meeting request! It makes it personal, and helps the buyer know who you are!*

To request a meeting with a specific Buyer:

- From the list of Buyers, you can click **"Request a meeting"**, a box will pop-up with the event participant profile on the right.
- The scheduling tool will only show times that are available for both participants. Select a time that works for you.
- You can add a message, then click **"Request Meeting."**
- They will then receive an email prompting them to accept, decline, or suggest a new time.
